About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Santa's Sleigh Build

Santa's Sleigh is a fantastic, fun filled indoor event designed to challenge teams to work together to successfully complete a project, encouraging creativity, teamwork and ultimately driving skill!

Ready for the pit stop challenge?

It is well proven that Formula One racers exemplify teamwork at the pit stop, where split-second precision and coordination are crucial. During a pit stop, a well-rehearsed crew of mechanics works in perfect harmony to execute tire changes and make necessary adjustments within just a few seconds.

Each team member has a specific role and their ability to work together directly impacts the performance and race outcome, where even the most skilled driver relies on the flawless execution of the pit crew to maintain a competitive edge.

Can your crew work together, quickly and effectively, in the pit stop challenge? And no cheating as Santa will know!

How It Works

From an initial brief, teams will be required to build their own sleigh using the kit provided to them. Once built, teams then race against the clock to strip and rebuild their sleighs to win points as the fastest pit crew. With the pit stop challenge complete, teams then use their creative skills to transform their sleigh using the materials provided into a work of art.

With the ultimate dream machines created, it's time for the Moot where a pass is paramount before teams compete in various races to test their driving skills. This event is based around simple mechanics, using very simple construction techniques the teams require no automotive or engineering skills.

Simple, Fun Mechanics

Engaging in simple and fun mechanics-based activities can be an excellent team-building exercise, fostering creativity and problem-solving skills amongst team members. These activities, such as Santa's Sleigh Build encourage participants to work together toward a common goal.

As team members brainstorm, experiment and adjust their designs, they naturally develop better communication and trust. The hands-on nature of this activity also brings out the strengths of different team members, making it a fun yet impactful way to enhance teamwork and camaraderie.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
