About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

School Sports Team Building Event

A pair of trainers and suitable sports clothing is all that is needed as we take your guests back in time for a second chance to be top of the class!

Compete in teams to be top of the class!

We organise the entire day taking teams safely through their paces in a series of fun school races and games. Skipping and sack races are just a snippet of this highly entertaining event. A little effort may be required on some of the activities, but they will not be too physically demanding!

With races such as the “Hop-Along Space Race” and the “Wobbly Waddle Race” there’s something for everyone. All activities will also take place under the watchful eye of our PE Teacher... Does your team have what it takes?

How It Works...

Each team will compete against each other in our simple, interesting and fun races which require both strategy and action. After a safety briefing, introduction and gentle warm up by our KDM Event Manager it’s on with the competition.

Just when the guests think it’s all over, teams will be invited to compete in a final relay race to top all others – a crazy combination of all of the disciplines so far!!

Culminating in a winner’s medals presentation ceremony (complete with podium), the School Sports Day is a unique event designed to generate motivation and team spirit in a simple and often hilarious session of schooldays fun.

• Each guest will receive a coloured wrist band, this will identify which school house they belong to

• Top of the class medals will be awarded to each member of the winning team in our winners ceremony complete with podium

• For any guests requiring the school nurse we will have a fully trained medical technician and car on site during the event

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
