About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Scrapheap Challenge Team Building Event

It is designed to bring the group together, by pooling resources and ideas in order to overcome the daunting task that is facing them!

The event will likely remove some guests from their comfort zone, with an amount of trial and error likely to challenge guests creativity and patience – which is where collaboration between the wider group will become crucial, as they swap both ideas and equipment to overcome the fiendish challenge ahead!

Work together in smaller groups and different Zones

The wider group shall be split into more manageable smaller groups to ensure constant involvement – and after a briefing and demonstration from our Event Managers, be confronted with a pile of equipment which at first glance may appear destined for the scrapyard...

However, using Rube Goldberg principles, each smaller group is tasked with creating a chain reaction within their alloted zone – which must eventually link up with all other zones to create a giant and visually striking chain reaction as the grand finale.

How It Works...

Underlining the importance placed on groups working both as separate units and as one body, Scrapheap Challenge literally builds to a grand finale where individual elements built by each group are brought together and the teams unite to achieve their common goal.

Groups will build their individual modules and then link them all together. In the fun finale, guests will see the entire machine working together as a whole, as they see their hard work come to life!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
