About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Soapbox Showdown Team Building Event

Some teams may resemble a slick ‘F1’ operation, and some teams may look like they could audition for ‘Wacky Racers’ but everyone must work together to win a place on the podium!

Involving elements of efficiency, time management, creativity and ‘driving’ skill, each team player will find an area in which to excel. From an initial briefing, teams will be required to adapt their basic chassis and create a unique and eye-catching racing kart. Using the kit provided to them, each team has the chance to build their dream ride and put it to the ultimate test in a series of fun races.

With the karts requiring a push start, there’s plenty of opportunity to use the team to your advantage, through practice races to determine the ultimate pusher/driver combo. Having passed the MOT testing stage, teams’ then put their karts to the true test! Varied races, including time trials for speed, team relay laps, slaloms and drag races, make-up the exciting racing finale to the day.

Work together to win a place on the podium

Combining all the scores gained from the various elements, provides the top 3 teams for our prize giving finale – **can your team make it to top position on the podium?**

The Build And Mot: Guests will discover their basic kart kit laid out before them. Teams will design nose cones, spoilers and extras, to create a kart that stands out from the crowd. Once finished, it’s time for the MOT conducted by the mechanics, where a pass allows teams to take their karts to the track for a series of races to test their driving skills.

The Races: Once the karts have been built and customised, it is time to test them where it really matters, in the team competition! There will be a **Drag Race, Relay, Slalom and Emergency Stop.**

The Final: Points will be awarded to the winners and runners-up in each of these trials. Each member of every team will have the opportunity to show their prowess in the exciting races, with bonus points awarded for the most aesthetically pleasing of the vehicles. The team with the highest score are the winners!

Note: The event includes all equipment such as helmets, tools, racing kart components and event management.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
