About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Come straight to the end provider

SolarBuddy Hour of Power Team Building Event

A brand new event to the UK market, this highly powerful collaborative activity will see your attendees tasked with assembling a Solar-powered light – for distribution to children living in countries of extreme energy poverty, specifically in the Dominican Republic, Tanzania, India, Cambodia, Timor-Leste, Papua New Guinea and Vanuatu.

The background

The statistics regarding the number of people worldwide who are living in energy poverty – defined as people with no access to safe and reliable sources of lighting – are truly shocking, and this collaborative group-based activity seeks to impact this one light at a time.

SolarBuddy are an Australian-based company and registered charity, and we are honoured to be the exclusive UK provider for this team building activity to the corporate market.

The activity itself is designed to be aligned with the United Nations Sustainable Development Goals, specifically Good Health and Wellbeing, Quality Education, Affordable and Clean Energy, Climate Action and Partnerships to achieve the goals.

How It Works...

The lead presenter will give a powerful presentation that is designed to educate the attendees about energy poverty, and the devastating effects that it has on those affected in marginalised communities and emerging economies in particular.

Come the end of the presentation, each attendee will be tasked with finalising the assembly of their own SolarBuddy, which is a solar-powered light incorporating a highly unique and personalised design aimed at children specifically.

Once completed, guests will then write a personalised letter which will be delivered alongside the device, as a way of further connecting with a child who is presently living in energy poverty.

- The lights are then delivered to a distribution country, where the in-country NGO Partner distributes this gift of light into the hands of those in need
- Although a team building event, this is far from your typical competitive activity – instead being a collaborative event, with a highly positive outcome
- Also a highly educational event, with the opportunity to further highlight and advance the cause of tackling energy poverty
- The event delivers a real impact, with a high SROI (Social Return on Investment)

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
