About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Spy School Team Building Event

Your team will be put through their paces in our Spy training school designed to hone and test the basic mental and combat skills needed to survive an espionage mission. Does your team have what it takes?

Work Together to graduate top of the Spy School

Spy School is designed for maximum participation with little physical demands enabling all guests to enjoy the activities provided. But be warned – cunning, subterfuge and secrecy are vital skills if you want to earn your place amongst the elite.

Intelligence, skill and luck are required to successfully complete the mix of indoor and outdoor activities contained within the 2 zones of Mental Agility and Weapons Training. Success in the training challenges will result in teams being rewarded with graded marks to add to their spy team's total.

How It Works...

Taking part in each of the 6 activities in the 2 zones, teams must use their skills wisely and pull together their strengths in their bid for success.

With all challenges complete and the scores collated, the team with the highest total score will graduate from the School to be presented with their official 'Secret Agent' Medals of Honour!

• 5 themed spy challenge activities to test Mental agility, intelligence, team work and overall spy ability!

• Learn new skills in the 'Weapons Training Zones' with hand Axe Throwing and Air Rifle Sniper challenges.

• Add that something extra with an optional 90ft Assault course!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
