About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Squad Game Team Building Event

Squad Game is an immersive team event based on the Korean TV sensation where the contestants battle it out in a series of playground style games in a bid to stay ‘alive’ and avoid ‘elimination’.

Let the Game begin

Played as teams (or Squads), each game has a schoolyard craze as its core element, with the emphasis on fun as you pitch your skills head to head against the opposition.

Success in each game will be rewarded with a token place in your Squads Piggy Bank.

How it works...

Played as head to head battles against the opposing Squads, you will take part in a series of eight games with different skills sets required in each – with games as diverse as Ddakji, Tug of War, Giant Marbles and The Glass Tile Game to name a few...

Under the watchful gaze of the referees you will attempt to be the last one standing in each game to gain the most points and better your chances of ‘surviving’ the super tense, high energy Red Light, Green Light elimination finale.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
