About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

The Box Team Building Event

Inspired by live escape room games, this is a fast and furious challenge as each team goes all out to successfully decode the master cryptic message to gain the means to open the box!

Crack the code before the box locks forever!

On the main screen a digital clock remains frozen at 60:00 minutes...but once the teams are briefed by our Event Manager, the clock springs into life and the countdown begins!

Your teams face the ultimate test of logic, creative thinking, problem solving and hands on puzzles. One thing is very clear – once the counter reaches zero the box can never be opened..... don't take your eye off the clock!!

How It Works...

Each team has a locked cashbox and a cryptic maths puzzle to solve. Once open, they will discover a seemingly random assortment of items and paperwork. Physical challenges, environment interaction and code cracking are crucial in the journey to uncovering the secret to unlocking the box!

All must be done without alerting the other teams to the clues found and solved! Throughout the event a heartbeat sound effect will keep the time, creating a sense of urgency as the timer counts down and the tension mounts!

Teams will only be permitted to approach the box if they are sure they know how to open the lock. No investigation of the mysterious box is allowed beforehand, so teams must follow the clue trail to obtain all the correct information... they hope!

- A great alternative to an escape room format!
- High energy, fast paced activity in a short time period.
- Encourages delegates to work as a strong, problem-solving unit.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
