About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

The Games Team Building Event

Are you hot on the heels of Usain Bolt or would you be out of your depth against Becky Adlington? Whichever sport is your passion, everyone can be a superstar and participate in The Games.

With guests allocated into teams to represent an adopted country, the event commences with everyone participating in a lively aerobic warm up session. Then, once everybody is suitably warm and muscles gently stretched, competitors from each country will compete in a selection of track and field events designed to test skill, stamina and team spirit.

Scores are counted under the watchful eye of our Games Master, amid the cheers and jeers from their fellow contestants, the winners will make their way to the podium for the victory presentation!

How it works

Competitors from each country will compete in a selection of fun track and field events which are Olympic themed. Representing their adopted nation, teams will complete to earn the most points before taking the winners' podium.

Track Disciplines:

This includes a series of team relay events:

• **Shooter run –** includes collecting a shooter weapon and accurately shooting in the zone before tagging the next player.

• **Gravity run –** wearing a gravity vest, see how far you can make it!

• **Staggered run –** a good old fashioned tag run, who can make the fastest round?

The relay events can be followed by a head-to-head straight sprint over a set distance.

Field Disciplines

• **Broad jump** – a marked area for competitors to reach set landing zones to earn points with the longest jumps getting extra points.

• **Vertical jump** – gain points for your team based on the highest jump!

• **Discus and shotput throwing** – step, spin or just throw into the zoned areas, who can make the longest throw!

Once the track and field challenges are completed, the scores are counted under the watchful eye of our Games Master. Our medal winners make their way to the podium for the victory presentation, with each member of the winning team receiving a gold medal.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
