About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Magic Skills Team Building Event

Welcome to your company's Magic Department. You have been invited to an exciting session of wonderment and discovery!

Placed into teams and under the direction of a master magician and instructors, guests will witness some world-class magic and will learn some easy-to-do, quick-to-learn, amazing magical effects. They will be shown bare-bones magic tricks to which they will be encouraged to add their own personal flair for a unique performance.

Team members can choose to take on the roles of performer, director, camera operator or music director to compete with their colleagues in the exciting magical finale. Teams can choose to create:

- **Close-up magic – be the new Dynamo!**
- **Street magic – in the style of David Blaine!**
- **TV magic – à la Paul Daniels!**
- **Mind magic – channel your inner Derren Brown!**

Details

After an initial introduction and briefing, our facilitators and instructors will share their knowledge of the magical arts with team members. Teams will then choose what type of show they would like to create, with material for:

- Vanishes (it disappeared!)
- Productions (it appeared from nowhere!)
- Transformations (it changed in front of my eyes!)
- Mind reading (how did you know I was thinking that?)
- Knowing the future (you foretold the impossible!)
- Order from chaos (shuffled cards do unexpected things!)

...and so many more.

Guests will have access to all the props and equipment they need and will be guided at all stages of the event. The teams will be asked to create two mini magic shows. The first is to be performed live in front of the group and the second is to be videoed and viewed on the big screen.

The Show-Down

All teams come together in the second half of the event to perform their live magical mini-show, compered by the master magician. Scores will be awarded by way of ‘clap-o-meter’ and accompanied by notes from the master magician. Next comes the recorded magical extravaganza (scored in a similar way.)

Final Thought

The master magician ends by showing the whole group a flabbergasting piece of professional-level magic. The group now have the skills to work out how it is done. Can they guess the method for bonus points?

What our clients say!

“Abracadabra…fantastic fun! The magic workshop was really good fun. The entire group really got well into participating in the activity. The session was inclusive, no-one was left out, interesting, fun and a great way to bond teams together. The laughter around the room was brilliant to hear. The 4 facilitators really knew their stuff and made sure everyone had something to practice. To be able to do a live showcase at the end was a wonderful way to round off the afternoon. Highly recommend this team activity.”

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
