# About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

# Virtual Master the Task

---

With so many now working from home or only occasionally coming into the office it represents a real challenge in engaging your employees on a regular basis. We have designed a concept that rather than being a one-off event is instead a series of challenges that take place on a weekly basis, to drive engagement and competitive spirit during these tricky times.

Loosely based around the hugely popular “Taskmaster” TV show, you will on Monday be set a challenge for the week from one of four categories – creative, physical, technical & just plain silly!

## How it works...

---

An instructional video will be available to view online, outlining the rules and parameters; participants can practise to their hearts content... before the Grand Final (which may feature a head-to-head finale) every Friday to crown the weekly winner.

A league table will be created with all players ranked according to their efforts. This can be viewed online and is updated weekly with two tables – one showing current scores for all tasks completed to date, and another with the results for the latest task.

To keep things interesting & ensure continued engagement, we may introduce bonus weeks or bonus points for those whose effort may not be matched by their results!

Whats Included:

- Secure video conference hosted by a KDM Event Manager on a weekly basis
- Upbeat and varied series of challenges, to keep your team engaged on a regular/weekly basis

What's not included:

- Prizes! These are not included in the pricing, and are down to you as a company to organise.

# How to book

---

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
