About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Virtual The Box escape event

A large box containing a digital keypad and an ominous looking biohazard canister has been deposited in the KDM conference room... it must be unlocked and removed for forensic testing.

Inspired by live escape room games, this is a fast and furious challenge as each team goes all out to successfully decode the master cryptic message to gain the means to open the box.

Can your team be the first to figure out the clue trail, decipher the code and win whatever lurks inside?

How it works...

Cracking puzzles to unlock their individual team messages, interpreting cryptic puzzles, spotting clues in the environment and mastering dexterity challenges are all important in this race against time.

Your teams face the ultimate test of logic, creative thinking, problem solving and hands on puzzles.

One thing is very clear – once the counter reaches zero the box can never be opened so don't forget to keep your eye on the clock!!

What's included:

- Joining instructions shared with the teams in advance
- Compact themed packs posted to each participant
- KDM Event Host

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
