# About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

# Virtual Zero Hour

---

The hour is upon us, will your team stand up to the challenge and emerge as the winner?

Connect & engage your remote team in a fun environment, and race against the clock to complete a combination of challenges before the timer reaches zero!

With a number of different activities all happening simultaneously, the energy and atmosphere will be through the roof...so keep one eye on the clock and the other on your competition!

## How it works...

---

Via your chosen Video Platform, your KDM Event Manager will host the event in its entirety.

Organised into teams of up to 6 guests, each team is presented with a portfolio of varying challenges, with different points available for each if completed successfully.

The activities range from simple tabletop puzzles and quizzes to complex physical challenges and games but each challenge scores differently, so teams must choose wisely and allocate their resources skilfully to score as many points as possible to win...

What's Included:

- Joining instructions shared with the teams in advance
- Compact themed packs delivered to each participant
- KDM Event Host

# How to book

---

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
