About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Wheel of Fortune Event

Using our version of the famous wheel of fortune spinning, this fast-paced event ensures that your event either kicks off with a blast – or closes on a high.

Spinning the Wheel Of fortune

The event is flexible to suit your agenda and can last from as little as 15 minutes up to a maximum of 45 minutes. The wheel keeps on spinning until your time runs out, when a bottle of champagne for the highest score will be awarded to the triumphant team at the conclusion of the event.

Working equally well during your daytime agenda or evening dinner, this runs as a team-based competitive format where members of the teams are invited to take it in turn to come to the stage and spin the wheel.

How It Works...

Questions from that colour category flash up on the big screen – allowing all teams to buzz in using our slammer handsets and try to answer correctly. Get it right and you win points for your team, but get it wrong and all the other teams' slammers are turned back on until someone finds the right answer!

The questions are grouped in 8 light hearted categories such as Science and Nature, Sport, Music, Movies and Words – however we can also include business specific questions tailored to your meeting content, to ensure that the business messages are not forgotten whilst still giving the perfect mix of business and fun!

- Icebreaker Event

- Can be bespoke to include business messages

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
