About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Charity Team Building Events Delivering Real Impact

With Wheelchair Challenge, you can make a real difference to lives by providing the equipment which gives access to grassroots wheelchair sports. This unique, charity team building event combines teamwork, purpose and social impact in one stand-out experience.

Why Choose Charity Team Building Events?

- Increase team engagement, communication and collaboration
- Create meaningful connection while delivering measurable social impact
- Strengthen a purpose-driven company culture
- Deepen employee satisfaction through emotionally engaging experiences

More Than Just Team Building Events

Teams compete in a series of fast-paced challenges to earn the parts needed to build these professional multisport wheelchairs – all destined for organisations supporting people with disabilities.

Along the way, participants gain powerful insight into the skill, determination and resilience behind wheelchair sports, while building stronger communication, collaboration and problem-solving skills within their own teams.

Perfect for CSR initiatives, leadership programmes and team-building events, this experience doesn't just engage people – it changes perspectives. Every wheelchair built creates new opportunities for people with disabilities to get active, build confidence, connect with others and experience the life-changing power of sport.

How it works

Teams will build and assemble a multisport wheelchair in approximately 2.5 hours, though this can be adjusted to suit your schedule. The event begins with a full group briefing, including a short, impactful presentation from the recipient charity. They'll share how the donated wheelchairs will benefit the people they support. (You can select your own recipient of the wheelchairs if required).

Each team will have their own dedicated build zone, equipped with tools and instructions. To acquire the parts needed to build their wheelchair, teams take part in a series of engaging mini challenges inspired by real disability sports. For each challenge completed, they earn tokens which can be exchanged for wheelchair parts from our shop.

As they progress, teams will gradually assemble their wheelchair. They will need to manage time and resources and work as a team to complete the build. The event concludes with a wheelchair basketball finale, where teams get to test what they have built and experience the sport first hand!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
