About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Wiped Out Team Building Event

Wiped Out is a lively, colourful, and competitive outdoor corporate event which will allow your guests to have lots of fun and leave in high spirits.

Will you Win or get Wiped Out?

Both energetic and exciting, the giant inflatable combination will test your team's ability to climb, dodge, jump, fall and laugh whilst trying to earn maximum points against opposing teams. Participation, interaction, and fun are very much the order of this team building day.

Up to 4 teams can compete on each challenge before rotating to the next game, however each of the 4 games require a different skill set in order to triumph, so player selection is a key element in team strategy.

How It Works...

Following a gentle warm up, teams head out to their first challenges. Up to 4 teams will compete head to head on each of the large inflatable activities, including: Sweeper Arm, Punching Wall, Wall Slide & Dart Football combo and the Washing Machine!

Rotating around all activities, teams endeavor to build the highest overall score possible. The winners (and the losers!) will receive their medals in the final presentation where all scores are revealed! Do you have what it takes... or will you be Wiped Out?

• Experience a giant inflatable obstacle course, with guaranteed fun and laughter regardless of fitness levels

• The ground will be transformed for your guests with site décor and a colored teepee

• Option to upgrade and push your athletes to the extreme by adding a 90ft assault course to the activity, where balance, endurance and speed are all put to the test

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
