About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Wreath Making

Design and customise your own festive wreath this Christmas with this crafty party workshop idea. A great activity for any end of year team bonding treat.

Beautiful, Natural Christmas Wreaths

Wreath making at Christmas is a cherished tradition that blends creativity with festive spirit, providing a hands-on way to celebrate the season with your team. Using a variety of materials such as evergreen branches, pine cones, berries, ribbons and ornaments, guests can craft beautiful and unique wreaths that reflect their personal style.

The process of arranging and securing these elements is both relaxing and rewarding, making it a perfect Christmas activity. As wreaths are often displayed on front doors or used as table centre pieces, they add a warm and welcoming touch to any décor. Beyond their aesthetic appeal, homemade wreaths symbolise unity and celebration, making the act of creating them a meaningful and enjoyable way to connect at Christmas.

How It Works

Design and customise your own festive wreath this Christmas with this crafty party workshop idea. A great activity for any end of year team bonding treat.

Art tutors will demonstrate and explain the various techniques to create a wreath. Next participants will decide which medium and style they want to use and begin their own project. Dig into our bounty of festive materials to customise your wreath to your own style and taste. Whether you want to use fun festive ribbons and colourful baubles or go for a more traditional Christmas wreath using cinnamon sticks, dried orange pieces and pine cones.

There will be plenty to inspire you at this festive craft workshop! Then complete your customised wreath using our festive haberdashery of trims for those finishing touches and add the perfect bow using luxurious ribbon to hang up your creation at home.

Your customised wreath will be a long-lasting memento of your crafty Christmas team building experience.

Crafting is Fun

This is because it engages our creativity and allows us to express ourselves in a unique way. The process of creating something with our hands is both satisfying and therapeutic, providing a sense of accomplishment as ideas come to life. Wreath making provides a break from the digital world, allowing guests to focus, relax, and immerse themselves in the present moment. As a team building activity it is a social activity, fostering connections and shared experiences, making it a fulfilling activity for a wide range of ages.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
